#### KENDELL FREDERICK CITIZENSHIP ASSISTANCE ACT

Mr. BROWN. I ask unanimous consent that the Judiciary Committee be discharged from further consideration of S. 2516 and the Senate proceed to its immediate consideration.

The PRESIDING OFFICER. Without objection, it is so ordered.

The clerk will report the bill by title.

The bill clerk read as follows:

A bill (S. 2516) to assist members of the Armed Forces in obtaining United States citizenship, and for other purposes.

There being no objection, the Senate proceeded to consider the bill.

Mr. LEAHY. Mr. President, I appreciate Senator MIKULSKI's commitment to helping those dedicated men and women who are not yet U.S. citizens but who have served all Americans as members of the Armed Forces. Easing the path to citizenship by removing duplicative procedures for these dedicated men and women is the right thing to do, and I am glad to support Senator MIKULSKI's efforts.

However, I also wish to note my concern with inclusion of language in the bill, at the administration's behest, that appears to anticipate a future expansion of the collection of biometric information from individuals who seek to become naturalized citizens or who seek other immigration benefits. In light of the purpose of Senator MIKULSKI's bill, which is to streamline the naturalization procedures for legal permanent residents serving in the military, it would make little sense to place additional obstacles in the path of those who have made the ultimate commitment to the United States.

I also register this concern to make clear that the language in this bill with respect to biometric information

should in no way be misconstrued as authority for the administration to unilaterally expand the type of biometric information beyond what is currently required to obtain immigration benefits from the U.S. government. Federal immigration law is the province of the Congress, and Congress retains the sole power to determine the extent of rulemaking authority afforded to Federal immigration agencies. The involvement of Congress in these decisions is crucial to ensure that the procedures by which we admit or deny individuals entry to the United States take into account the interests of privacy, and are faithful to the welcoming traditions by which our nation has prospered. Only Congress can provide the deliberative, democratic process necessary to ensure that any future requirements are consistent with American values.

We all recognize the need for robust security at our borders. But over the last 7 years, the reputation of the United States as a welcoming nation has been diminished as a result of often misguided policies that take a reactionary, blunt, and hostile approach to immigration. The administration has met its failure to enact meaningful immigration reform with layer upon layer of security initiatives that in some cases do little more than foreclose the promise of our great Nation for so many who seek opportunity, advancement, or refuge. America's security now and in the future demands more than border walls and punitive, enforcement-only immigration policies. Our future security, as well as our future prosperity, depends upon the balance that has been absent for so long.

Mr. BROWN. I ask unanimous consent that the Mikulski substitute amendment, which is at the desk, be agreed to; the bill, as amended, be read a third time and passed; the motions to reconsider be laid on the table, with no intervening action or debate and any statements be printed in the RECORD.

The PRESIDING OFFICER. Without objection, it is so ordered.

The amendment (No. 4177) was agreed to as follows:

(Purpose: In the nature of a substitute)

Strike all after the enacting clause and insert the following:

#### SECTION 1. SHORT TITLE.

This Act may be cited as the "Kendell Frederick Citizenship Assistance Act".

#### SEC. 2. FINGERPRINTS AND OTHER BIOMETRIC INFORMATION FOR MEMBERS OF THE UNITED STATES ARMED FORCES.

(a) IN GENERAL.—Notwithstanding any other provision of law, including section 552a of title 5, United States Code (commonly referred to as the "Privacy Act of 1974"), the Secretary of Homeland Security shall use the fingerprints provided by an individual at the time the individual enlisted in the United States Armed Forces, or at the time the individual filed an application for adjustment of status, to satisfy any requirement for background and security checks in connection with an application for naturalization if—

(1) the individual may be naturalized pursuant to section 328 or 329 of the Immigration and Nationality Act (8 U.S.C. 1439, 1440);

(2) the individual was fingerprinted and provided other biometric information in accordance with the requirements of the Department of Defense at the time the individual enlisted in the United States Armed Forces;

(3) the individual—

(A) submitted an application for naturalization not later than 24 months after the date on which the individual enlisted in the United States Armed Forces; or

(B) provided the required biometric information to the Department of Homeland Security through a United States Citizenship and Immigration Services Application Support Center at the time of the individual's application for adjustment of status if filed not later than 24 months after the date on which the individual enlisted in the United States Armed Forces; and

(b) MORE TIMELY AND EFFECTIVE ADJUDICATION.—Nothing in this section precludes an individual described in subsection (a) from submitting a new set of biometric information, including fingerprints, to the Secretary of Homeland Security with an application for naturalization. If the Secretary determines that submitting a new set of biometric information, including fingerprints, would result in more timely and effective adjudication of the individual's naturalization application, the Secretary shall—

(1) inform the individual of such determination; and

(2) provide the individual with a description of how to submit such biometric information, including fingerprints.

(c) COOPERATION.—The Secretary of Homeland Security, in consultation with the Secretary of Defense, shall determine the format of biometric information, including fingerprints, acceptable for usage under subsection (a). The Secretary of Defense, or any other official having custody of the biometric information, including fingerprints, referred to in subsection (a), shall—

(1) make such prints available, without charge, to the Secretary of Homeland Security for the purpose described in subsection (a); and

(2) otherwise cooperate with the Secretary of Homeland Security to facilitate the processing of applications for naturalization under subsection (a).

(d) ELECTRONIC TRANSMISSION.—Not later than one year after the date of the enactment of this Act, the Secretary of Homeland Security shall, in coordination with the Secretary of Defense and the Director of the Federal Bureau of Investigation, implement procedures that will ensure the rapid electronic transmission of biometric information, including fingerprints, from existing repositories of such information needed for military personnel applying for naturalization as described in subsection (a) and that will safeguard privacy and civil liberties.

(e) CENTRALIZATION AND EXPEDITED PROCESSING.—

(1) CENTRALIZATION.—The Secretary of Homeland Security shall centralize the data processing of all applications for naturalization filed by members of the United States Armed Forces on active duty serving abroad.

(2) EXPEDITED PROCESSING.—The Secretary of Homeland Security, the Director of the Federal Bureau of Investigation, and the Director of National Intelligence shall take appropriate actions to ensure that applications for naturalization by members of the United States Armed Forces described in paragraph
